...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 14349:2012. It supersedes BS EN 14349:2007 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/216, Chemical disinfectants and antiseptics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
