

Methods for

# Analysis and testing of coal and coke —

Part 104: Proximate analysis —

Section 104.1 Determination of  
moisture content of the general analysis  
sample of coal

# Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Solid Mineral Fuels Standards Policy Committee (SFC/-) to Technical Committee SFC/3, upon which the following bodies were represented:

- British Cement Association
- British Coal Corporation
- British Gas plc
- British Steel Industry
- Department of Trade and Industry (Standards and Quality Policy Unit, Quality Design and Education Division)
- Electricity Supply Industry in United Kingdom
- GAMBICA (BEAMA Ltd.)
- Institute of British Foundrymen
- Institute of Petroleum
- Power Generation Contractors' Association (BEAMA Ltd.)

This British Standard, having been prepared under the direction of the Solid Mineral Fuels Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 30 April 1991
