

Specification for  
**Jig bushes —**

**Part 2: Metric units**

UDC 621.887.7:621.95 – 589.6

# Cooperating organizations

The Mechanical Engineering Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and professional and industrial organizations:

|                                                               |                                                             |
|---------------------------------------------------------------|-------------------------------------------------------------|
| Associated Offices Technical Committees                       | Federation of Manufacturers of Construction                 |
| Association of Consulting Engineers                           | Equipment and Cranes                                        |
| Association of Hydraulic Equipment Manufacturers Ltd.         | Health and Safety Executive — HM Factory Inspectorate       |
| Association of Mining Electrical and Mechanical Engineers     | Institution of Gas Engineers                                |
| British Compressed Air Society                                | Institution of Heating and Ventilating Engineers            |
| British Electrical and Allied Manufacturers' Association      | Institution of Mechanical Engineers                         |
| British Gas Corporation                                       | Institution of Plant Engineers                              |
| British Gear Manufacturers' Association                       | Institution of Production Engineers*                        |
| British Internal Combustion Engine Manufacturers' Association | London Transport Executive                                  |
| British Mechanical Engineering Confederation                  | Machine Tool Trades Association*                            |
| British Pump Manufacturers' Association                       | Ministry of Defence*                                        |
| British Steel Corporation*                                    | National Coal Board                                         |
| British Steel Industry                                        | National Engineering Laboratory — Department of Industry    |
| Crown Agents for Oversea Governments and Administration       | Process Plant Association                                   |
| Department of Industry                                        | Railway Industry Association of Great Britain               |
| Department of the Environment                                 | Royal Institute of British Architects                       |
| Department of Trade                                           | Society of Motor Manufacturers and Traders*                 |
| Electricity Supply Industry in England and Wales              | Telecommunication Engineering and Manufacturing Association |
| Engineering Equipment Users' Association                      | Water-tube Boilermakers' Association                        |

The Government department and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard.

|                                    |                                                |
|------------------------------------|------------------------------------------------|
| Gauge and Tool Makers' Association | Society of British Aerospace Companies Limited |
|------------------------------------|------------------------------------------------|

This British Standard, having been prepared under the direction of the Mechanical Engineering Standards Committee, was published under the authority of the Executive Board on 31 December 1976
