# Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Textiles and Clothing Standards Policy Committee (TCM/-) to Technical Committee TCM/20, upon which the following bodies were represented:

- Association of Heavy Textile Proofers of Great Britain
- Association of Jute Spinners and Manufacturers
- Flax and Linen Association (GB)
- Made-Up Textiles Association
- Man-made Fibres Producers' Committee
- Post Office
- Textile Research Council

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- British Rubber Manufacturers' Association
- British Textile Employers' Association
- Ministry of Defence

This British Standard, having been prepared under the direction of the Textiles and Clothing Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 31 October 1989

© BSI 11-1999  
First published February 1943  
First revision November 1957  
Second revision October 1989

The following BSI references relate to the work on this standard:  
Committee reference TCM/20  
Draft for comment 88/40106 DC

## Amendments issued since publication
