Methods for

Notched bar tests —

Part 5: Determination of crystallinity

UDC 620.178.746

Co-operating organizations

The Mechanical Engineering Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

Associated Offices' Technical Committee*	Institute of Petroleum
Association of Consulting Engineers	Institution of Civil Engineers
Association of Mining Electrical and Mechanical Engineers	Institution of Gas Engineers
British Chemical Plant Manufacturers' Association	Institution of Heating and Ventilating Engineers
British Compressed Air Society	Institution of Mechanical Engineers*
British Electrical and Allied Manufacturers' Association*	Institution of Mechanical Engineers (Automobile Division)
British Gear Manufacturers' Association	Institution of Production Engineers*
British Internal Combustion Engine Manufacturers' Association	Locomotive and Allied Manufacturers' Association of Great Britain
British Iron and Steel Federation*	London Transport Board
British Mechanical Engineering Federation	Machine Tool Trades Association
British Railways Board	Ministry of Defence, Army Department*
Crown Agents for Oversea Governments and Administrations	Ministry of Defence, Navy Department*
D.S.I.R. National Engineering Laboratory*	Ministry of Labour (H.M. Factory Inspectorate)
Electricity Council, The Generating Board and the Area Boards in England and Wales	Ministry of Power
Engineering Equipment Users' Association	Ministry of Public Building and Works
Gas Council	Ministry of Transport
High Commission of India	National Coal Board
Institute of Marine Engineers	National Physical Laboratory (D.S.I.R.)*
	Radio Industry Council
	Royal Institute of British Architects

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

Aluminium Federation	Council of British Manufacturers of Petroleum Equipment
Association of British Chemical Manufacturers	D.S.I.R. — Building Research Station
British Cast Iron Research Association	D.S.I.R. — Forest Products Laboratory
British Constructional Steelwork Association	Institute of Welding
British Iron and Steel Research Association	Institution of Engineering Inspection
British Non-ferrous Metals Federation	Lloyd's Register of Shipping
British Non-ferrous Metals Research Association	Ministry of Aviation
British Welding Research Association	Testing machine manufacturers and individual firms
Copper Development Association	

This British Standard, having been approved by the Mechanical Engineering Industry Standards Committee and endorsed by the Chairman of the Engineering Divisional Council, was published under the authority of the General Council on 26 February 1965
