

Methods of test for

Soils for civil engineering purposes —

Part 9: In-situ tests

ICS 93.020

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Road Engineering Standards Policy committee (RDB/-) to Technical committee RDB/38, upon which the following bodies were represented:

- Association of consulting Engineers
- British Civil Engineering Test Equipment Manufacturers' Association
- County Surveyors' Society
- Department of the Environment (Property Services Agency)
- Department of the Environment (Building Research Establishment)
- Department of Transport
- Department of Transport (Transport and Road Research Laboratory)
- Co-opted members

This British Standard, having been prepared under the direction of the Road Engineering Standards Policy Committee, was published under the authority of the Board of the BSI and comes into effect on 31 August 1990
