

Methods of testing

Refractory materials —

Part 6: Ceramic fibre products

UDC 666.766:662.998 – 494:677.523

Confirmed December 2009

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Refractory Products Standards Committee (RPM/-) to Technical Committee RPM/9 upon which the following bodies were represented:

- Association of Manufacturers of Domestic Electrical Appliances
- British Ceramic Research Association
- British Steel Industry
- Combustion Engineering Association
- Electricity Supply Industry in England and Wales
- Eurisol (UK) Association of Manufacturers of Mineral Insulation Fibres
- National Coal Board
- Refractories Association of Great Britain

This British Standard, having been prepared under the direction of the Refractory Products Standards Committee, was published under the authority of the Board of BSI and comes into effect on 28 November 1986
