

# TIG welding —

## Part 1: Specification for TIG welding of aluminium, magnesium and their alloys

UDC 621.791.754'29:[669.71+669.721]

# Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Welding Standards Committee (WEE/-) to Technical Committee WEE/28 upon which the following bodies were represented:

- Aluminium Federation
- British Non-Ferrous Metals Federation
- Electricity Supply Industry in England and Wales
- Magnesium Industry Council
- Ministry of Defence
- Oil Companies Materials Association
- Society of British Aerospace Companies Limited
- Welding Institute
- Welding Manufacturers Association
- Coopted member

This British Standard, having been prepared under the direction of the Welding Standards Committee, was published under the authority of the Board of BSI and comes into effect on 28 September 1984

© BSI 02-1999

First published August 1958  
First revision September 1984
