# Co-operating organizations

The Petroleum Equipment Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

- British Iron & Steel Federation\*
- Council of British Manufacturers of Petroleum Equipment\*
- Engineering Equipment Users' Association
- Federation of British Rubber and Allied Manufacturers
- Institute of Petroleum
- Ministry of Power
- Oil Companies Materials Association\*

The industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- British Valve Manufacturers' Association
- National Association of Drop Forgers and Stampers

This British Standard, having been approved by the Petroleum Equipment Industry Standards Committee and endorsed by the Chairman of the Engineering Divisional Council, was published under the authority of the General Council on 30 December 1960
