Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Iron and Steel Standards Policy Committee (ISM/-) to Technical Committee ISM/73, upon which the following bodies were represented:

Associated Offices Technical Committee
BEAMA Ltd.
British Compressed Air Society
British Forging Industry Association
British Gas plc
British Steel Industry
Electricity Supply Industry in England and Wales
Engineering Equipment and Materials Users' Association
Lloyds Register of Shipping
Power Generation Contractors' Association (BEAMA Ltd.)
Process Plant Association
Seamless Steel Tube Association
Welding Institute
Co-opted members

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

British Fluid Power Association
British Welded Steel Tube Association
Confederation of British Industry
Energy Industries Council
Stainless Steel Fabricators' Association of Great Britain

This British Standard, having been prepared under the direction of the Iron and Steel Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 28 February 1991
