

# Analysis of formulated detergents —

## Part 3: Quantitative test methods —

### Section 3.23 Method for determination of chelating agents content

NOTE It is recommended that this Section be read in conjunction with the information in the “General introduction”, published separately as BS 3762-0.

# Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Chemicals Standards Policy Committee (CIC/-) to Technical Committee CIC/34, upon which the following bodies were represented:

- Chemical Industries Association
- Chemical Industries Association (GOSIP)
- Department of Trade and Industry (Laboratory of the Government Chemist)
- Ministry of Defence
- Royal Society of Chemistry
- Soap and Detergent Industry Association
- Society of Dyers and Colourists

This British Standard, having been prepared under the direction of the Chemicals Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 31 August 1990
