

Method for

Sodium flame test for air filters —

(Other than for air supply to I.C.
engines and compressors)

UDC 621.928.9.001.4

Confirmed December 2009

Co-operating organizations

The Mechanical Engineering Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

Associated Offices' Technical Committee	Institute of Marine Engineers
Association of Consulting Engineers	Institution of Civil Engineers
Association of Mining Electrical and Mechanical Engineers	Institution of Gas Engineers
Board of Trade	Institution of Heating and Ventilating Engineers*
British Chemical Plant Manufacturers' Association	Institution of Mechanical Engineers
British Compressed Air Society*	Institution of Mechanical Engineers (Automobile Division)
British Electrical and Allied Manufacturers' Association	Institution of Production Engineers
British Gear Manufacturers' Association	Locomotive and Allied Manufacturers' Association of Great Britain
British Internal Combustion Engine Manufacturer's Association	London Transport Board*
British Mechanical Engineering Confederation	Machine Tool Trades' Association
British Pump Manufacturers' Association	Ministry of Defence
British Steel Industry	Ministry of Defence, Army Department*
Crown Agents for Oversea Governments and Administrations	Ministry of Power
Department of Employment and Productivity (H.M. Factory Inspectorate)*	Ministry of Public Building and Works*
Electricity Council, the Central Electricity Generating Board and the Area Boards in England and Wales	Ministry of Technology*
Engineering Equipment Users' Association	Ministry of Technology — National Engineering Laboratory
Gas Council	Ministry of Transport
	National Coal Board
	National Physical Laboratory (Ministry of Technology)
	Royal Institute of British Architects

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this standard:

Council of British Manufacturers of Petroleum Equipment	Society of British Aerospace Companies Ltd
Fan Manufacturers' Association Ltd	Technical Section of the British Paper and Board Makers Association
Ministry of Public Building & Works — building research station	United Kingdom Atomic Energy Authority
Motor Industry Research Association	Individual filter manufacturers
National College for Heating, Ventilating, Refrigeration and Fan Engineering	

Tins British Standard, having been approved by the Mechanical Engineering Industry Standards Committee, was published under the authority of the Executive Board on 29 August 1969
