

Rotary core drilling equipment —

Part 4: Specification for System A — Inch units

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the General Mechanical Engineering Standards Policy Committee (GME/-) to Technical Committee GME/20, upon which the following bodies were represented:

- British Coal Corporation
- Drilling and Prospecting International Limited
- English Drilling Equipment Co. Limited
- Institution of Civil Engineers
- Institution of Mining and Metallurgy
- Natural Environment Research Council (Institute of Geological Science)

This British Standard, having been prepared under the direction of the General Mechanical Engineering Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 August 1993
