

Specification for

Sulfate-resisting Portland cement

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee B/516, Cement and lime, to Subcommittee B/516/6, Cement specifications, upon which the following bodies were represented:

- British Aggregate Construction Materials Industries
- British Cement Association
- British Precast Concrete Federation
- British Ready Mixed Concrete Association
- Cement Admixtures Association
- Cementitious Slag Makers' Association
- County Surveyors' Society
- Department of the Environment (Building Research Establishment)
- Department of Transport (Highways Agency)
- National Rivers Authority
- Quality Ash Association
- Society of Chemical Industry

This British Standard, having been prepared under the direction of the Sector Board for Building and Civil Engineering, was published under the authority of the Standards Board and comes into effect on 15 April 1996
