

Specification for

Magnetic flaw detection inks and powders

UDC 667.4/.5:620.179.4

Cooperating organizations

The Mechanical Engineering Standards Committee, under whose direction this British Standard was prepared, consists of representatives from the following:

- Associated Offices Technical Committee*

Association of Consulting Engineers

Association of Hydraulic Equipment Manufacturers

Association of Mining Electrical and Mechanical Engineers

British Compressed Air Society

British Electrical and Allied Manufacturers' Association (BEAMA)*

British Gas Corporation

British Gear Manufacturers' Association

British Internal Combustion Engine Manufacturers' Association

British Pump Manufacturers' Association

British Steel Corporation

British Steel Industry*

British Valve Manufacturers' Association Ltd.

Chartered Institution of Building Services

Crown Agents for Oversea Governments and Administrations

Department of the Environment (PSA)

Department of industry (Mechanical Engineering)

Department of industry (National Engineering Laboratory)*
- Department of Trade (Marine Division)

Department of Transport

Electricity Supply Industry in England and Wales*

Energy Industries Association

Engineering Equipment Users' Association*

Federation of Manufacturers of Construction Equipment and Cranes

Health and Safety Executive*

Institution of Gas Engineers

Institution of Mechanical Engineers

Institution of Plant Engineers

Institution of Production Engineers*

Lloyd's Register of Shipping

London Transport Executive

Machine Tool industry Research Association

Ministry of Defence*

National Coal Board*

Oil Companies Materials* Association

Process Plant Association

Society of Motor Manufacturers and Traders Limited*

Telecommunication Engineering and Manufacturing Association (TEMA)

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the Technical Committee entrusted with the preparation of this British Standard:

- BNF Metals Technology Centre

British Airways

British Chemical Engineering Contractors' Association

British Institute of Non-destructive Testing

British Non-ferrous Metals Federation

Institute of Quality Assurance

Non-destructive Testing Centre
- Society of British Aerospace Companies Limited

Steel Casting Research and Trade Association

United Kingdom Atomic Energy Authority

Water-tube Boilermakers' Association

Welding institute

Coopted members

This British Standard, having been prepared under the direction of the Mechanical Engineering Standards Committee, was published under the authority of the Board of BSI and comes into effect on 30 July 1982

© BSI 12-1998

First published, November 1966
First revision, July 1982
