

Discharge and ventilating pipes and fittings, sand-cast or spun in cast iron —

Part 1: Specification for spigot and socket systems

Confirmed
February 2011

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Building Services Standards Policy Committee (SEB/-) to Technical Committee SEB/39, upon which the following bodies were represented:

- Aluminium Federation
- BCIRA
- British Foundry Association
- Builders Merchants' Federation
- Copper Development Association
- Department of the Environment (Property Services Agency)
- Ductile Iron Producers' Association
- Institute of British Foundrymen
- Institute of Plumbing
- Light Metal Founders' Association
- National Association of Plumbing, Heating and Mechanical Services Contractors
- National Metal Trades Federation

This British Standard, having been prepared under the direction of the Building Services Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 31 October 1990
