

CONFIRMED
OCTOBER 1982

Methods

**Assessing the
performance
characteristics of
ultrasonic flaw
detection equipment —**

Part 2: Electrical performance

Co-operating organizations

The Mechanical Engineering Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

- Associated Offices Technical Committee*

Association of Consulting Engineers

Association of Hydraulic Equipment Manufacturers

Association of Mining Electrical and Mechanical Engineers

British Chemical Plant Manufacturers' Association

British Compressed Air Society

British Electrical and Allied Manufacturers' Association*

British Gear Manufacturers' Association

British Internal Combustion Engine Manufacturers' Association

British Mechanical Engineering Confederation

British Pump Manufacturers' Association

British Steel Industry*

Crown Agents for Oversea Governments and Administrations

Department of Employment and Productivity (H.M. Factory Inspectorate)

Department of the Environment

Department of Trade and Industry*

Department of Trade and Industry — National Engineering Laboratory*

Electricity Council, the Central Electricity Generating Board and the Area Boards in England and Wales*
- Engineering Equipment Users' Association

Gas Council

Institution of Civil Engineers

Institution of Gas Engineers

Institution of Heating and Ventilating Engineers

Institution of Mechanical Engineers

Institution of Mechanical Engineers (Automobile Division)

Institution of Plant Engineers

Institution of Production Engineers*

Locomotive and Allied Manufacturers' Association of Great Britain

London Transport Executive

Machine Tool Trades Association

Ministry of Defence*

Ministry of Defence, Army Department*

National Coal Board*

National Physical Laboratory (Department of Trade and Industry)*

Royal Institute of British Architects

Telecommunications Engineering Manufacturing Association

Water Tube Boilermakers' Association*

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard.

- Aluminium Federation

British Chemical Engineering Contractors' Association

British European Airways

British National Committee for Non-destructive Testing

British Non-ferrous Metals Federation

British Non-ferrous Metals Research Association

British Overseas Airways Corporation

Institute of Physics and The Physical Society

Institution of Engineering Inspection

Lloyd's Register of Shipping

Ministry of Aviation Supply
- Ministry of Defence, Navy Department

Non-destructive Testing Centre

Non-destructive Testing Society of Great Britain

Oil Companies' Material Association

Scientific Instrument Manufacturers' Association

Society of British Aerospace Companies Ltd.

Society of Motor Manufacturers and Traders Ltd.

Society of Non-destructive Examination

The Welding Institute

Tube Investments Ltd.

United Kingdom Atomic Energy Authority

This British Standard, having been approved by the Mechanical Engineering Industry Standards Committee, was published under the authority of the Executive Board on 14 January 1972
