Co-operating organizations

The Chemicals Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives of the following Government departments and scientific and industrial organizations:

- Association of Fatty Acids Distillers
- Chemical Industries Association*
- Department of Health and Social Security
- Department of Industry — Chemicals and Textiles Division
- Department of Industry — Laboratory of the Government Chemist*
- Fertiliser Manufacturers' Association Limited*
- Ministry of Agriculture, Fisheries and Food
- National Sulphuric Acid Association
- Royal Institute of Public Health and Hygiene
- Soap and Detergent Industry Association
- Society of Analytical Chemistry

The Government department and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- British Pharmacopoeia Commission
- Campden Food Preservation Research Association
- Flour Milling and Baking Research Association
- Institute of Metal Finishing
- National Association of Soft Drink Manufacturers
- Society of Chemical Industry
- Textile Institute

This British Standard, having been prepared under the direction of the Chemicals Industry Standards Committee, was published under the authority of the Executive Board on 30 June 1976
