

Factory-made chimneys —

Part 3: Specification for chimneys with stainless steel fluelining for use with oil fired appliances

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Building Services Standards Policy Committee (SEB/-) to Technical Committee SEB/30, upon which the following bodies were represented:

- Association of British Solid Fuel Appliances Manufacturers
- British Coal Corporation
- British Flue and Chimney Manufacturers' Association
- British Gas plc
- British Steel Industry
- DSFAAS Ltd.
- Department of the Environment (Building Research Establishment)
- Department of the Environment (Construction Industries Directorate)
- Institute of Domestic Heating and Environmental Engineers
- Institute of Wastes Management
- National Association of Plumbing, Heating and Mechanical Services Contractors
- Royal Institute of British Architects
- Scottish Development Department

This British Standard, having been prepared under the direction of the Building Services Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 31 December 1990
