

Methods for

Testing and rating air terminal devices for air distribution systems —

Part 1: Aerodynamic testing —

Section 1.1 Testing under laboratory
conditions

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Refrigeration, Heating and Air Conditioning Standards Policy Committee (RHE/-) to Technical Committee RHE/2, upon which the following bodies were represented:

- Association of Consulting Engineers
- Chartered Institution of Building Services Engineers
- Department of Health
- Department of the Environment (Property Services Agency)
- Department of the Environment (Building Research Establishment)
- Heating and Ventilating Contractors' Association
- Heating, Ventilating and Air Conditioning Association
- Hevac Association
- Society of British Gas Industries

This British Standard, having been prepared under the direction of the Refrigeration, Heating and Air Conditioning Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 28 February 1992
