Cooperating organizations

The Power Electrical Engineering Standards Committee, under whose direction this British Standard was prepared, consists of representatives from the following Government departments and industrial and scientific organizations:

- Associated Offices Technical Committee
- Association of Short Circuit Testing Authorities
- British Electrical and Allied Manufacturers' Association (BEAMA)
- British Railways Board
- British Steel Corporation*
- Department of Energy (Electricity)
- Electrical Contractors' Association
- Electrical Contractors' Association of Scotland
- Electrical Research Association*
- Electricity Supply Industry in England and Wales*
- Engineering Equipment Users' Association*
- Institute of Purchasing and Supply
- Institution of Electrical Engineers
- Ministry of Defence*
- National Coal Board*
- National Economic Development Office

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- Association of Consulting Engineers
- Association of Electrical Machinery Trades
- Association of Manufacturers Allied to the Electrical and Electronic Industry (BEAMA)
- Association of Supervisory and Executive Engineers
- British Gear Manufacturers Association
- British Internal Combustion Engine Manufacturers' Association
- Bureau of Engineer Surveyors
- Engineer Surveyors' Section of the ASTMS
- Lloyd's Register of Shipping
- London Transport Executive
- Machine Tool Industry Research Association
- Power Generation Association (BEAMA)
- Rotating Electrical Machines Association (BEAMA)
- South of Scotland Electricity Board

This British Standard, having been prepared under the direction of the Power Electrical Engineering Standards Committee, was published under the authority of the Executive Board and comes into effect on 30 April 1980
