

A guide to the application of statistical methods to quality and standardization

ICS 03.120.30

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee SS/3, Application of statistical methods in standardization, upon which the following bodies were represented:

- Institute of Quality Assurance
- Laboratory of the Government Chemist
- National Physical Laboratory
- Royal Statistical Society

This British Standard, having been prepared under the direction of the Management Systems Sector Committee, was published under the authority of the Standards Committee and comes into effect on 15 October 2000
