Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Chemicals Standards Policy Committee (CIC/-) to Technical Committee CIC/24, upon which the following bodies were represented:

- Aluminium Federation
- British Ceramic Research Ltd.
- British Tar Industry Association
- Chemical Industries' Association
- Institute of Petroleum
- Refractories Association of Great Britain

This British Standard, having been prepared under the direction of the Chemicals Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 31 August 1989
