Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Chemicals Standards Committee (CIC/-) to Technical Committee CIC/24 upon which the following bodies were represented:

- Aluminium Federation
- British Ceramic Research Association
- British Tar Industry Association
- Chemical Industries Association
- Institute of Petroleum
- Standardization of Tar Products Tests Committee

This British Standard, having been prepared under the direction of the Chemicals Standards Committee, was published under the authority of the Board of BSI and comes into effect on 28 February 1986
