

Petrographic analysis of bituminous coal and anthracite —

**Part 1: Glossary of terms relating to the
petrographic analysis of bituminous
coal and anthracite**

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee SFI/4, Coal petrography, upon which the following bodies were represented:

- British Coal Corporation
- British Gas plc
- British Steel Industry
- Combustion Engineering Association
- International Committee for Coal and Organic Petrology
- Power Generation Contractors' Association (PGCA) (BEAMA Ltd.)

This British Standard, having been prepared under the direction of the Sector Board for Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 April 1995
