

Lifting slings —

Part 2: Specification for marking

UDC 621.86.065

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Mechanical Handling Standards Committee (MHE/-) to Technical Committee MHE/11, upon which the following bodies were represented:

- British Ports Association and the National Association of Ports Employers
- Chain Testers' Association of Great Britain
- Engineering Equipment and Materials Users' Association
- Health and Safety Executive
- Ministry of Defence

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- British Chain Manufacturers' Association
- National Coal Board

This British Standard, having been prepared under the direction of the Mechanical Handling Standards Committee, was published under the authority of the Board of BSI and comes into effect on 29 August 1986
