

Road aggregates —

Part 2: Specification for single-sized aggregate for surface dressing

UDC 625.07

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Road Engineering Standards Committee (RDB/-) to Technical Committee RDB/1, upon which the following bodies were represented:

- British Aggregate Construction Materials Industries
- British Tar Industry Association
- County Surveyor’s Society
- Department of Transport (Highways)
- Federation of Manufacturers of Construction Equipment and Cranes
- Greater London Council
- Institution of Highways and Transportation
- Natural Environment Research Council (Institute of Geological Science)
- Road Emulsion Association Ltd.
- Road Surface Dressing Association
- Sand and Gravel Association Limited
- Society of Chemical Industry

This British Standard, having been prepared under the direction of the Road Engineering Standards Committee, was published under the authority of the Board of BSI and comes into effect on 30 October 1987
