

Specification for

**Manufacture of glued
structural components of
timber and wood based panels**

ICS 79.060.01; 91.080.20

Confirmed November 2008

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee B/518, Structural timber, to Subcommittee B/518/3 Glued laminated timber, upon which the following bodies were represented:

- British Adhesives and Sealants Association
- British Woodworking Federation
- Department of the Environment (Building Research Establishment)
- Glued Laminated Timber Association
- Institution of Civil Engineers
- Nordic Timber Council (UK)
- Timber Research and Development Association
- Timber Trade Federation
- Wood Panel Industries Federation

This British Standard, having been prepared under the direction of the Sector Board for Building and Civil Engineering, was published under the authority of the Standards Board and comes into effect on 15 June 1997
