

Highway parapets for bridges and other structures —

Part 3: Specification for vehicle containment parapets of combined metal and concrete construction

ICS 93.040

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee B/509, Road equipment, to Subcommittee B/509/13, Bridge parapets, upon which the following bodies were represented:

- Aluminium Federation
- Association of Consulting Engineers
- British Railways Board
- British Steel Industry
- County Surveyors' Society
- Department of Transport (Transport Research Laboratory)
- Institution of Civil Engineers
- Institution of Highways and Transportation

This British Standard, having been prepared under the direction of the Technical Committee B/509, was published under the authority of the Standards Board and comes into effect on 15 May 1994
