Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Non-ferrous Metals Standards Policy Committee (NFM/-) to Technical Committee NFM/10, upon which the following bodies were represented:

- Association of Bronze and Brass Founders
- British Non-ferrous Metals Federation
- British Stainless Steel Association
- British Steel Industry
- Department of Trade and Industry (Laboratory of the Government Chemist)
- Engineering Equipment and Materials Users' Association
- Institute of British Foundrymen
- London Metal Exchange
- Ministry of Defence
- Nickel Development Institute
- Non-ferrous Metal Stockists
- Steel Casting Research and Trade Association
- Coopted members

This British Standard, having been prepared under the direction of the Non-ferrous Metals Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 June 1994
