Foreword

This Section of BS 684 has been prepared under the direction of the Food and Agriculture Standards Committee. It supersedes BS 684-1.5:1976 which is withdrawn and from which it differs in that it does not refer to sperm oil, gives full details of methods 1 and 2 and includes a method 3.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Food and Agriculture Standards Committee, was published under the authority of the Board of BSI and comes into effect on 30 October 1987
