Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Pigments, Paints and Varnishes Standards Policy Committee (PVC/-) to Technical Committee PVC/27, upon which the following bodies were represented:

Aluminium Federation
 Aluminium Finishing Association
 Aluminium Window Association
 British Railways Board
 British Telecommunications plc
 Consumer Policy Committee of BSI
 Department of the Environment (Building Research Establishment)
 European Resin Manufacturers' Association
 Institute of Corrosion
 Institute of Metal Finishing
 Institution of Structural Engineers
 Institution of Water and Environmental Management (IWEM)
 London Regional Transport
 Metcom
 Ministry of Defence
 National Federation of Painting and Decorating Contractors
 Oil and Colour Chemists' Association
 Paint Research Association
 Paintmakers' Association of Great Britain Ltd.
 Society of Chemical Industry
 Steel Window Association
 Union of Construction, Allied Trades and Technicians
 Zinc Development Association

This British Standard, having been prepared under the direction of the Pigments, Paints and Varnishes Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 31 October 1991
