## Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the General Mechanical Engineering Standards Policy Committee (GME/-) to Technical Committee GME/21, upon which the following bodies were represented:

Electricity Association  
Federation of Civil Engineering Contractors  
Imperial College of Science and Technology  
Institute of Sound and Vibration Research  
Institution of Mechanical Engineers  
Lloyd's Register of Shipping  
Ministry of Defence  
Open University  
Power Generation Contractors Association (PGCA (BEAMA Ltd.))  
Railway Industry Association of Great Britain  
Sira Test and Certification Ltd.  
Society of British Aerospace Companies Limited

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

British Coal Corporation  
Health and Safety Executive  
Society of Environmental Engineers  
University of Cranfield

This British Standard, having been prepared under the direction of the General Mechanical Engineering Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 March 1994
