

Airborne noise emitted by woodworking machine tools — Operating conditions for woodworking machines

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee MTE/1, Machine tools, upon which the following bodies were represented:

- Advanced Manufacturing Technology Research Institute
- British Engineers' Cutting Tools Association
- Cranfield University
- Gauge and Tools Makers' Association
- Health and Safety Executive
- Machine Tool Technologies Association
- Ministry of Defence
- Coopted members

The following body was also represented in the drafting of the standard, through a panel:

- University of Southampton

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 August 1995
