Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Mining and Quarrying Requisites Standards Policy Committee (MQE/-) to Technical Committee MQE/25, upon which the following bodies were represented:

- Association of British Mining Equipment Companies
- British Coal Corporation
- Council for Electrical Equipment for Flammable Atmospheres (BEAMA)
- Health and Safety Executive

This British Standard, having been prepared under the direction of the Mining and Quarrying Requisites Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 28 February 1990
