

Methods of test for

Magnetite for use in coal preparation

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Solid Mineral Fuels Standards Policy Committee (SFC/-) to Technical Committee SFC/5, upon which the following bodies were represented:

- Association of British Mining Equipment Companies
- British Coal Corporation
- Coal Preparation Plant Association
- Minerals Engineering Society

This British Standard, having been prepared under the direction of the Solid Mineral Fuels Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 30 June 1990
