

Radiation protection instrumentation — Portable potential alpha energy meter for rapid measurements in mines

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee NCE/2, Health Physics Instrumentation, upon which the following bodies were represented:

- AEA Technology
- Association of University Radiation Protection Officers
- British Nuclear Fuels plc
- British Steel plc
- Department of Trade and Industry (National Physical Laboratory)
- Electricity Association
- GAMBICA (BEAMA Ltd.)
- Health and Safety Executive
- Institute of Physical Sciences in Medicine (IPSM)
- Institute of Physics
- Institution of Nuclear Engineers
- Ministry of Defence
- National Radiological Protection Board
- Society for Radiological Protection

This British Standard, having been prepared under the direction of the Engineering Sector Board (E/-), was published under the authority of the Standards Board and comes into effect on 15 February 1995
