

Installation of factory-made chimneys to BS 4543 for domestic appliances —

**Part 1: Method of specifying installation
design information**

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee B/506, Chimneys, to Subcommittee B/506/5, Chimneys and their components having inner linings of metal, upon which the following bodies were represented:

- Association of British Solid Fuel Appliances Manufacturers
- British Coal Corporation
- British Combustion Equipment Manufacturers' Association
- British Flue and Chimney Manufacturers' Association
- British Gas plc
- British Precast Concrete Federation Ltd.
- British Steel Industry
- Building Services Research and Information Association
- Clay Pipe Development Association Limited
- Department of the Environment
- Department of the Environment (Construction Directorate)
- Health and Safety Executive
- Institute of Domestic Heating and Environmental Engineers
- National Association of Plumbing, Heating and Mechanical Services Contractors
- National Federation of Master Steeplejacks and Lightning Conductor Engineers
- National House-building Council

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- Department of the Environment (Building Research Establishment)
- Institute of Vitreous Enamellers
- Real Fire Association
- Society of British Gas Industries
- Vitreous Enamel Development Council

This British Standard, having been prepared under the direction of Technical Committee B/506, was published under the authority of the Standards Board and comes into effect on 15 July 1992
