

Fluid power systems and components — Connectors and associated components — Nominal pressures

ICS 23.100.30

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee MCE/18, Fluid power systems and components, upon which the following bodies were represented:

- Associaton of British Mining Equipment Companies
- British Compressed Air Society
- British Fluid Power Association
- British Hydrodynamics Research Association
- British Iron and Steel Producers' Association
- Department of Trade and Industry (National Engineering Laboratory)
- Ministry of Defence

The following bodies were also represented in the drafting of the standard through subcommittees and panels:

- Engineering Equipment and Materials Users' Association
- University of Bath

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 January 1996
