

Code of practice for

Accommodation of building services in ducts

ICS 91.140.01

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee B/209/14, Building services, upon which the following bodies were represented:

- Combustion Engineering Association
- Institute of Plumbing
- British Gas plc
- Chartered Institution of Building Services Engineers
- Clay Pipe Development Association Limited

This British Standard, having been prepared under the direction of the Sector Board for Building and Civil Engineering, was published under the authority of the Standards Board and comes into effect on 15 July 1997
