

Specification for

Wrought steels in the form of blooms, billets, bars and forgings —

Part 4: Valve steels

UDC 669.14 — 4+669.14.018.8

Co-operating organizations

The Iron and Steel Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

Board Of Trade*	Institution of Civil Engineers
British Cast Iron Research Association	Institution of Mechanical Engineers
British Constructional Steelwork Association	(Automobile Division)
British Electrical and Allied Manufacturers' Association*	Institution of Production Engineers
British Ironfounders' Association	Institution of Structural Engineers
British Mechanical Engineering Federation	Joint Iron Council
British Railways Board*	Lloyd's Register of Shipping
British Steel Castings Research Association	Ministry of Defence, Army Department*
British Steel Industry*	Ministry of Defence, Navy Department*
Council of Iron Producers	National Association of Drop Forgers and Stampers*
Council of Ironfoundry Associations	National Physical Laboratory (Ministry of Technology)
Crown Agents for Oversea Governments and Administrations	Oil Companies Materials Association
Department of Employment and Productivity (H.M. Factory Inspectorate)	Royal Institute of British Architects
Engineering Equipment Users' Association	Shipbuilders and Repairers National Federation
Federation of Civil Engineering Contractors	Society of British Aerospace Companies
Institute of British Foundrymen	Society of Motor Manufacturers and Traders Ltd.*
Institute of Iron and Steel Wire Manufacturers	Stainless Steel Development Association*
Institute of Marine Engineers*	

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

This British Standard, having been approved by the Iron and Steel Industry Standards Committee, was published under the authority of the Executive Board on 12th February, 1970	Association of British Railway Carriage & Wagon Manufacturers	Spring Research Association
	British Bolt, Nut, Screw & Rivet Federation	Stainless Steels Fabricators' Association of Great Britain
	Ministry of Technology	Individual Companies
	National Coal Board
