Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee AUE/9, Automobile details and accessories, upon which the following bodies were represented:

- Automobile Association
- BSI Testing Services
- Consumer Policy Committee of BSI
- Department of Trade and Industry (Consumer Safety Unit, CA Division)
- Department of Transport
- Garage Equipment Association
- Institute of Trading Standards Administration
- Society of Motor Manufacturers and Traders Limited

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 March 1996
