

Specification for radio disturbance and immunity measuring apparatus and methods —

Part 2: Methods of measurement of disturbances and immunity

ICS 17.220.20; 33.100

National foreword

This British Standard reproduces verbatim CISPR 16-2:1996, Edition 1.2:2002, which comprises Edition 1.0:1996 consolidated by the incorporation of amendments 1:1999 and 2:2002, and implements it as the UK national standard.

Sidelineing in this document indicates where amendments 1:1999 and 2:2002 have been implemented.

BS 727:1993 which is related to CISPR 16:1987 is not being withdrawn as it is referred to in Statutory Instruments which H M Government does not propose to amend at this time.

The UK participation in its preparation was entrusted by Technical Committee GEL/210, Electromagnetic compatibility, to Subcommittee GEL/210/1, Measuring equipment and techniques, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the CISPR title page, pages 2 to 108, an inside back cover and a back cover.

The BSI copyright notice displayed in this document indicates when the document was last issued.
