

**Harmonized system of quality
assessment for electronic components**

Basic specification: X-ray inspection of electronic components

The European Standard EN 100012:1995 has the status of a
British Standard

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee L/9, Electronic Components Policy Committee, upon which the following bodies were represented:

- Association of Franchised Distributors of Electronic Components
- British Standards Society
- British Telecommunications plc
- Department of Trade and Industry
- Federation of the Electronics Industry
- Ministry of Defence
- National Supervising Inspectorate (BSI PC)

This British Standard, having been prepared under the direction of the Electrotechnical Sector Board, was published under the authority of the Standards Board and comes into effect on 15 April 1996
