National foreword

This British Standard is the UK implementation of EN 10029:2010, incorporating corrigendum January 2012. It supersedes BS EN 10029:1991 which is withdrawn.

This edition no longer contains requirements for individually hot-rolled quarto stainless steel plates, which have been transferred to BS EN ISO 18286:2010.

The UK participation in its preparation was entrusted to Technical Committee ISE/103, Structural Steels Other Than Reinforcements.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
