

Definition of steel products

The European Standard EN 10079:2007 has the status of a
British Standard

ICS 01.040.77; 77.140.01

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 10079:2007. It supersedes BS EN 10079:1993 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ISE/5, Technical delivery conditions, classification and designation of steels.

A list of organizations represented on ISE/5 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 April 2007
