

Stainless steels

Part 4: Technical delivery conditions for sheet/plate and strip of corrosion resisting steels for construction purposes

ICS 77.140.20; 77.140.50

National foreword

This British Standard is the UK implementation of EN 10088-4:2009.

The UK participation in its preparation was entrusted to Technical Committee ISE/30, Stainless steels.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 May 2009
