

Welding — Recommendations for welding of metallic materials

Part 1: General guidance for arc welding

ICS 25.160.10

National foreword

This British Standard is the UK implementation of EN 1011-1:2009. It supersedes BS EN 1011-1:1998 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/17, Metal-arc welding of steel.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 March 2009
