BSI Standards Publication

Compressors and vacuum pumps — Safety requirements

Part 3: Process compressors

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 1012-3:2013.

The UK participation in its preparation was entrusted to Technical Committee MCE/8/-/1, Compressors - Safety.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
