Methods of test for mortar for masonry

Part 12: Determination of adhesive strength of hardened rendering and plastering mortars on substrates

National foreword

This British Standard is the UK implementation of EN 1015-12:2016. It supersedes BS EN 1015-12:2000 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/519, Masonry and associated testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
